Data Analyst

SUMMARY

Data Analyst with a banking background in Ukraine's largest private bank - JSC CB "PRIVATBANK". Over the course of 13 years, I successfully advanced from Junior to Senior Specialist. I have hands-on experience with processing large datasets, cleaning them, and transforming raw data into structured analytical reports to support decision-making at the highest level.

I am eager to deepen my knowledge in data analytics and further develop my programming skills in the field of data processing.
